BACKGROUND

As set out in the Second Waiver Letter, the current period is characterized by extraordinary events and legal measures adopted by central governments (including the Italian government) linked to the health emergency due to the global Coronavirus (COVID-19) pandemic.

As a result of the continuing impact of the COVID-19 pandemic on the travel and infrastructure industry, the assets managed by Toscana Aeroporti S.p.A. (“**TA**”), a subsidiary of the Issuer which manages the airports of Florence and Pisa in Italy, is experiencing a reduction in its business operations, and as a result, on its revenues and EBITDA – as such, the COVID-19 pandemic may have a direct or indirect impact on the Issuer’s obligations to meet the financial covenant test set out in the Conditions. Based on the information available and considering the uncertainty of the ongoing circumstances, the Issuer expects that this situation will continue in the foreseeable future.

Given the nature of any event and/or circumstances connected and/or associated with COVID-19, the Issuer has taken actions to proactively manage its contractual relationships with its stakeholders, including the Noteholders. In this respect, the meeting of noteholders held on 9 February 2021 (the “**February 2021 Meeting**”) resolved to grant certain waivers in connection with the Conditions and the Trust Deed with respect to the Calculation Dates falling on 30 June 2020 and 31 December 2020, which the Trustee and the Issuer implemented by entering into a waiver letter on 10 February 2021 (the “**First Waiver Letter**”). The waivers granted in connection with the First Waiver Letter are subject to the conditions contained therein.

The Issuer is convening the Meeting for the purposes of passing the Extraordinary Resolution set out in this notice in order to authorise the Trustee to enter into the Second Waiver Letter, which is subject to the approval of this Meeting.

The Notes have not been and will not be registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States. Terms used in this paragraph have the meaning given to them by Regulation S under the Securities Act.
